Jason,

I am cancelling our meeting tomorrow. You are about to be arrested by NYPD at request of USCG for filing a false report. George, if he is not already being detailed, will be detained and probably released, but the burden here is on you, Jason, as the source.

I will be available for a skype interview at any time, but the possibility of me putting myself in a room you control is now zero.

George,

Wayne Madsen is willing to meet you and give you a hearing I have offered to host lunch. He tells me no one has produced compelling proof on the Awan situation, the burden is on you.

My impression of you, George, has not changed. It remains positive. I think you are being played by some very bad boys and I would be glad to have that discussion anytime you wish. In my view, our shared priority should be to separate you from Jason in terms of reputation and protect your following, and to continue to help each other advance over the next 90 - 120 days.

I will be in the car from 1200-1700 if you are able to see this email and can call.

Robert

George,

I am so very sorry to see you continue as Jason's bitch. This is my last communication. If you do not publicly announce your renunciation of him, and find a new channel, I am cutting you off and including you as a co-conspirator with him.

George,

All kinds of people are coming to me asking why Cynthia and I still support you. We do. But you are your own worst enemy. I have gotten some really negative feedback about you from Red Pill and you are now on the verge of losing a lot of supporters.

I urge you to break free. I am getting reports about Tish being under investigation, along with someone named Amy and I just

George, for information. A massive law suit is about to be filed against Jason Goodman by a lawyer who specializes in defamation cases. Manny is the one who will be in front, my case will simply be in support. Jason is buried so deep by his own words that we expect Google to shut him down completely -- close his channel and delete all of his videos. Since the videos appear in all states this will be a multi-state filing, done pro
